

JUMP FOR PAWS

RSPCA Victoria receives over 10,000 reports of cruelty each year. On an average day, over 20 animals will be brought into their care. They can't do this work without donations.

That's why I'm being brave like an RSPCA Animal Cruelty Inspector and taking the leap for animals in need.

\$46

Could provide one week of antibiotics for an animal in need of urgent treatment.

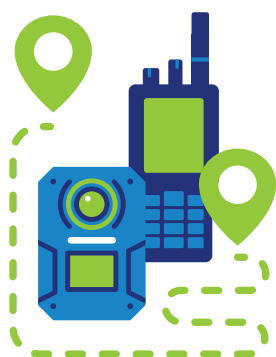

\$140

Helps pay for lifesaving surgery of a animal rescued from cruelty.

\$350

Can help keep an RSPCA Inspector on the road fighting animal cruelty for another day.

\$500

Can equip Inspectors with specialised gear such as body cameras, radios, and safety trackers.
